

## The Premium E-Commerce Store For Pets

A Range of Super Foods, Supplements & Toys That Will Surely Make You & Your Pet Happiest

**Mumbai, Maharashtra Jan 11, 2023 ([Issuewire.com](https://www.issuewire.com))** - Pawsindia's Newest Premium Range of Super Foods, Supplements & Toys Will Surely Make You & Your Pet Happiest

Pawsindia is excited to announce the launch of premium pet food, toys, grooming, and other pet supplies. It is an online store that offers a wide range of [Online pet products and supplies](#). The all-in-one pet store focuses on providing superior quality pet products to pet parents in India. With an increasing population keen on getting a pet, the Indian pet market is booming but with unhealthy and low-grade pet food and supplies. To bridge this gap between pet owners and pet supplies, Pawsindia has bought a premium range of goodies and global companies like Cheerble, Benebone, and Pet Dream House to India.

Pawsindia has an array of products that help pet-parents to encourage healthy pet pampering. The exclusive pet collection includes a vast variety of pet foods and treats, pet grooming, accessories like collars, leashes, bows and harnesses, fashionable clothes, bedding, healthcare supplies, and many more.

Pawsindia is not just about pet supplies but encouraging to parent a pet in the right way. Many people buy pets thinking they are cute, but they don't understand pets are a responsibility. [Pawsindia](#) caters to educating and creating awareness among society and helps them raise a happy, healthy pet with ease.

Pawsindia a brand of Windlock Project Private Limited, is a leading e-commerce website with experience in creating innovative solutions and implementing new technologies to help pets and ease

pet parenting. We are providers of various ranges of first-class services that can help change the world of pet parents.

Pawsindia is an [Online Pet Store](#) dealing in all types of pet supplies. We have everything from healthy food choices to providing companionship to your pet when alone. Our foremost goal is to offer high-quality, premium products for pets to keep them healthy and happy.

We aspire to become a household name and achieve excellence in the global market with our flawless solutions and new technologies. We aim to become a service provider by building long-term relationships with the clients and preserving their trust by focusing on quality, cost-effectiveness, technology, and on-time delivery.
