

Treat a loved one (or yourself) to a Shhh...Menopause Wellness gift box for 2023

Health is most definitely the new wealth and Shhh...Menopause Wellness' gift boxes are packed with a plethora of products to improve the quality of women's lives.

London, United Kingdom Jan 2, 2023 (Issuewire.com) - Add self-care and wellness to your life in 2023

Are you still thinking about how to show the special woman in your life how much you care? Give them the gift of calm and treat the main lady in your life to a Shhh...Menopause Wellness gift box.

Health is most definitely the new wealth and Shhh...Menopause Wellness' gift boxes are packed with a plethora of products to improve the quality of women's lives.

There are eight magical gift boxes to choose from to suit all personalities and pockets – step forward [Refine and detox](#) (£50); [Relieve essential](#) (£35); Sleep sound (£50); [the Bathing bliss trio](#) (from £26); Glow essentials (£50); Ease and sleep suite (£45); [Sleep sound midi suite](#) (£40); and the Refining starter kit (£30).

Attempting to single out just one gift box is like trying to pick the spottiest dog in a kennel full of dalmatians – nigh on impossible. Since you ask, however, we have a soft spot for the Glow essentials kit. Containing a Shhh Eye bright seaweed serum, a Shhh Vitamin E refining scrub, and a Shhh Vitamin C and Hyaluronic acid serum, it's sure to help you achieve a radiant glow for the party season.

Marva Williams, menopause champion and founder of Shhh...Menopause Wellness – a range of natural skincare products designed to support and encourage women who are going through menopause, and

help ease their physical and emotional health – said of the new gift boxes: “We’re thrilled to be launching eight, sensational gift boxes for 2023.

“It’s fair to say the past couple of years haven’t been kind so it’s time to put self-care and wellness first this year by giving someone you love a gift that will help them to look after their wellbeing. And don’t forget to treat yourself too!”
