

Valisons & Co are one of the reputable Portable MSCabins & Containers manufacturers in Maharashtra. Est in the year 1962

We believe in the ethical business, follow moral business policies & pure transparency in all our transactions to keep healthy relations with the customers.

Raigad, Maharashtra Jan 23, 2023 ([Issuewire.com](https://www.issuewire.com)) - We are manufacturing a wide range of cabins & containers from Bunk Houses, Farmhouses, Accommodation Units, Offices, Storage Containers, and Toilets to DNV-certified containers for Offshore usage.

We develop MS cabins & containers of every size & structure based on clients' requirements. We offer to our customers aesthetically elegant, strong & high-quality products with robust designs & seamless finishes.

The fabricated products offered by us are manufactured by using advanced technology & encompass salient features such as consistency, versatility, dimensional accuracy, sound insulation, fire resistance, water resistance, and environment friendly & with extreme weather conditions.

Our products are durable and do not damage or fall due to force, pressure, or environmental hazards.

Our Workshop

Our Workshop is located on Khopoli-Pen Road, Khalapur, District Raigad, Maharashtra; equipped with requisite machines & tools that help us in providing a customized range of products to our clients. Our smart technology helps us in making unique products for different industries & companies. The technology also speeds up the manufacturing process.

Overview of Products

Our extensive range of products includes portable conference cabins, cargo containers, galvanized portable office cabins, & so on. Our customers can get customized products as per their needs & budget.

We design every product in a special way. The portable office cabins will have additional facilities such as fans, smart chairs, desks & other gadgets. They can be accommodated in any limited space. Besides, our portable cabins are also easy to move from one place to another.

Advantages of Portable cabins/containers

Portable cabins are versatile. The major advantage of porta cabins is their ability to customise. Customers can choose the dimensions, designs, colour schemes & get their porta cabins customised according to their tastes & requirements. Building a permanent retail or commercial space is time-consuming. But, with Porta cabins, construction time can be reduced reasonably. Another advantage of Porta cabins is, they are mobile structures; can be moved from one place to another place easily as & when the need arises.

Prices

The prices of our products vary based on customizations in terms of size, colour, interiors, and electrical & plumbing fittings required. Further, based on the area of delivery, the cost will vary so as the installation cost. All our prices are exclusive of applicable GST – GST will be added to the final invoice.

Transportation

Transportation is arranged by us with additional cost. We arrange quotes from the transporter & get the customer's approval for rates. Upon the customer's approval, we add it to the final price. However, we load the cabin on a trailer without any additional cost.

Delivery

For office cabins without furniture, the manufacturing timeline is approximately 7 days & for cabins with furniture, the timeline is approximately 20 days. We will dispatch the material after this period & transportation time depends on the delivery site distance from our manufacturing site. Notwithstanding the delivery schedule mentioned herein, if the customer requires to deliver within their stipulated time frame, we will go out of our way & meet the customer's requirement.
