

Visionz2turnt And Bigmoshawty And Their Upcoming EP That Drops August 31, 2020

Clarksville, Tennessee Jan 29, 2023 ([Issuewire.com](https://www.issuewire.com)) - In recent years, we have seen a massive boom in hip-hop music and hip-hop artists. The musical genre is believed to be first developed in the United States Bronx area in the 70s. The style generally consists of rhythmic music accompanied by rapping. The critical elements of the hip-hop genre are MCing/ rapping, break dancing, and DJing.

The most well-known element, MCing, more commonly known as rapping, has received a vast global outreach in recent years. The genre saw a massive rise of now well-known faces like Eminem, The Black-Eyed Peas, Fabolous, Ludacris, Snoop Dogg, 2Pac, Lil Wayne, and so many more with record-breaking albums and topping the Billboard charts. With the emergence of new online streaming services like Spotify, Apple Music, SoundCloud, etc. Many independent artists are coming into the genre. Many well-known artists got their careers started on these streaming services like Post Malone, XXXTentacion, Lil Skies, and many more.

In this colossal hip-hop family, Visionz2Turnt and BigMoShawty, are two brothers who are trying to revolutionize the rap genre and bring relatable and good music to the people.

BigMoshawty, born Garrette Martin, is an independent artist/ Songwriter hailing from North Carolina. He grew up in a gang and drug-infested neighborhood and used music as his escape. Getting inspired by figures like Usher, Gerald Levert, Outkast, etc. He started writing poems and, later, he began adding beats to them. His struggles and passion for music was inspired by many artists, including Brolic D, Small World, and Perfect Harmony. BigMoShawty continued to develop his music throughout the years and gave the world the success story of a little boy from Henderson, North Carolina.

Rap artist Visionz2Turnt, formally known as 'Visionz,' is an independent artist born and raised in Washington, DC. From an early age, he was into writing poetry and then later into freestyle rapping, under the alias of Pyro. His career took a massive step in the right direction when he moved to North Carolina and met BigMoShawty. BigMoShawty helped him record his first song along with two other N.C. rappers. Visionz has his music all over the internet on ReverbNation, SoundCloud, Audiomack, Spotify, YouTube, and many more online streaming platforms.

Some of the artist's best hits include: Money Bagz, Patek, Clout Pack, Cold World, Trapstar, and IDK. All of these have been played more than one million times on SoundCloud. Some other notable hits from Visionz2turnt are: Pain N Life, See Me Thru, Hate 2 Break It, B.E.T, Snake in the Garden, No Kap, Click House, and many more, which all have thousands of plays on SoundCloud. Other than this, he also has his own YouTube channel and website.

These guys are coming out with all club bangers on their new E.P. "Street Visionz." The Extended Play record or E.P, in short, will have BigMoShawty and Visionz2Turnt collaborating to bring out the true essence of hip-hop to the people. Their goal is to make excellent and relatable songs that people will find resonate with them. The E.P. will be available on all online streaming services. To know more, follow their social media pages.
