

Whatsapp Link Generator Tool For Business

Fonada presents its customized “ whatsapp link generator tool” for business that wants to create a gateway for their consumers.

New Delhi, Delhi Jan 16, 2023 ([Issuewire.com](https://www.issuewire.com)) - FONADA has brought you an all-new customized “Whatsapp Link Generator” tool that can assist businesses in effectively reaching their valuable customers. FONADA has been an acclaimed name in the cloud telephony industry for the last ten years and has achieved its customer's trust by offering reliable and cost-efficient services.

Now they are in the market with its customized Whatsapp Link Generator tool. This tool allows a business to engage with its customers in real time. It creates support for industries to ease communication, eventually building trust in their consumer-business relations.

SOME KEY BENEFITS:

- With the free WhatsApp link generator tool, businesses can establish instant communication with their customers. In this fast-paced world where everyone wants quicker assistance with their queries and issues. This tool will be an aid to your customers and help them to have a quick resolution for their concerns.
- You, as a business, can interact and create real-time engagement with your customers. This helps you convert potential customers into buyers who are redirected to WhatsApp using the chat link.
- You can even plan a campaign for your valuable audiences; whenever a consumer gets connected to you via this link, their numbers are automatically saved into your database, which you can use to create a promotion campaign where you can share new offers, discount coupons, and many more.
- [wa link generator](#) has direct payment and purchase options, which helps your business create an interactive interface for instant shopping, and you can even share a catalog with your customers.

HOW TO CREATE WHATSAPP LINK?

If one wants to create a WhatsApp link for their business

- Click on the Whatsapp link generator interface,
- Enter your WhatsApp number without using special characters (+/ symbols),
- Enter a predefined message (optional)

- Click on the create “WhatsApp link button,” and you will be there.

WhatsApp link generator works as a magical tool and generates business as you want by simply creating a WhatsApp link that can redirect your audiences directly to your WhatsApp.
