MEET ENTREPRENEUR

(AMAN SINGH)

Rae Bareilly, Uttar Pradesh Feb 2, 2023 ([Issuewire.com](https://www.issuewire.com)) - At 21, when most teenagers are busy making friends — online and offline — Aman Singh, a Bsc(it) student From Amity University, established two start-ups and found a way to earn a seven-digit income through Digital Marketing and Web Development started as a freelancer now having a team of more than 100 people Pan India. The youngster, who provides marketing services and helps his clients increase their follower base, said that he has about 1221 clients and charges between \$1,000 and \$2,000 per client.

He said that anyone interested in digital marketing can take this up as a full-time job and earn about Rs 3 lakh to Rs 6 lakh per month.

Mada's clients range from e-commerce gurus to skincare brands. He said that he hires freelancers from around the world to work with him. At present, he has 71 freelancers working with him. Now, he is planning to offer a course through IG Empires so that he can help youngsters learn how to earn money through Instagram.

"I have learned through self-study and anyone can do it. But those interested to learn from my experience can opt for my online course, which I will launch in January. I have recorded more than 100 episodes for the course and would charge between \$500 and \$1,000 from each student,".

He is On the way to becoming one of the best web development companies in India to cater to the needs of Indians as well as the international market, He knew this field will blow up in the upcoming

years and is working towards it.

His Company name is Rodez Web Technologies, Currently, he is the founder and CEO of the company, and with his 2 Co-founders Mr. Uday Pratap Singh, Who is handling the management of the entire team, and the CTO Mr. Ayush Singh (CTO) who is handling all the technical challenges of the company. They are on their way to becoming one of the best marketing and development agencies in India.
