**HOST ORGANISATIONS:**

**Mumbai, Maharashtra Feb 4, 2023 ([Issuewire.com](http://Issuewire.com)) - [Australian Centre for Sustainable Development Research & Innovation \(ACSDRI\)](http://Australian Centre for Sustainable Development Research & Innovation (ACSDRI)), a registered Not-for-Profit Research Foundation of Australia ([www.acsdri.com](http://www.acsdri.com)), is conducting Two Day International Conference on “Sustainability-focused Education, Business and Professional Development Opportunities in Australia and India” in association with **VIBGYOR** ([www.infovibgyor.com](http://www.infovibgyor.com)) and Enpro Envirotech ([www.enproenvirotech.com](http://www.enproenvirotech.com)) at **Maharashtra Nature Park Society, Mumbai, India on 4th & 5th March 2023.****

The theme of the conference will be Education for Sustainable Development Goals, Sustainability focused Innovation and Business Opportunities in Circular and Blue Economy.

Today Human-induced Climate Change and Ecological Damage are the REALITY. Hence it is the time to re-design and embed Holistic Sustainability principles and values at the foundational level starting from education, training, innovation, and reformatting our current business practices.

In additional to that there are transformational geo-political shifts across the world and there are signification realignments happening in the Post-Covid scenario.

In the context of the UN's adopted Sustainable Development Goals, Paris Agreement, and Australia-

India Economic Cooperation and Trade Agreement (ECTA), the AUSTRALIAN CENTRE FOR SUSTAINABLE DEVELOPMENT RESEARCH & INNOVATION ([ACSDRI](#)) in association with its key partner organizations, are inviting all like-minded stakeholders to share a stage for dialogue on key policy issues in Australia, India and Globally, such as

- Sustainability Innovation & Investment Opportunities in Circular & Blue Economy,
- Sustainability Education,
- Global Governance of Biodiversity Conservation & Restoration,
- Professional Development, Career & Training Opportunities in Sustainability Operation, Carbon Management & Circular Economy.
- #Biodiversitymatters Campaign Pledge.

At this Conference, we will have the opportunity to launch **Envirotech Education, a premier Australian educational institution**, (<http://www.envirotech.edu.au/>), and to showcase their premium Australian Government-accredited courses on Sustainability Operation in Business & Entrepreneurship, Ecological Conservation, and Marine protection & conservation for Blue Economy.

At the Conference, there will be an India launch of [The Blue Planet - A Magazine on Sustainability](#), the in-house annual publication of **ACSDRI – Knowledge Press**. In addition, ACSDRI – Knowledge Press will highlight its other publications on Public Policy such as [The Hidden Successes of Three Sustainability Policies - Evidence from Three Australian States](#).

Every year ACSDRI, in association with **VIBGYOR** ([www.infovibgyor.com](http://www.infovibgyor.com)), conducts the **I LOVE NATURE Photography Contest** and runs the **#biodiversitymatters Campaign** to promote awareness on Biodiversity, Climate Change, Loss of Marine Habitat, Biodiversity Finance, Sustainable Finance, Blue Carbon, Wetland, and importance of Roots and Soil. In this two-day 2023 International Conference on Sustainability, we will have the opportunity to Nature Photography Walk with Indranil Mukherjee, Founder of VIBGYOR, and to experience an exhibition on Nature Photographer as well as interaction with renowned Nature Photographers of India.

Friends lets meet at **Maharashtra Nature Park Society, Mumbai, India on the 4th & 5th of March 2023** to have a dialogue on Our BLUE PLANET – Our ONLY Home
