

Breaking the Glass Ceiling in the online era!

Female Entrepreneur Takes the Digital Marketing Industry by Storm

Nagpur, Maharashtra Feb 21, 2023 ([Issuewire.com](https://www.issuewire.com)) - Tejaswini Bhandarkar has been blazing trails for female entrepreneurs for over a decade now. After working for several top corporations, she decided to break away from the corporate rat race and take a leap of faith in the uncharted world of digital marketing. She founded Teztech (<https://www.tecch.com>), an ambitious company with a bold mission - to revolutionize the digital marketing industry and bridge the gap between consumer needs and cutting-edge marketing solutions.

Her goal is to bring the world's best digital marketing techniques to businesses, no matter the size or industry. Her signature product, a customized suite of marketing tools (<https://www.instagram.com/teztecch/>), is helping businesses take their online presence to the next level. Teztecch is helping bridge the divide between outdated marketing techniques and cutting-edge solutions, enabling small and large businesses alike to be competitive in an ever-evolving digital space.

Tejaswini Bhandarkar is quickly becoming a name to be reckoned with, in the digital marketing world. (<https://www.linkedin.com/company/teztecchsolutions/mycompany/>)

By taking the reins of her destiny and tackling a fiercely competitive industry head-on, Tejaswini Bhandarkar is truly shattering the glass ceiling and making her mark in the corporate world.
