

Brooklynn Chandler Willy Featured in February 2023's Issue of San Antonio Monthly Magazine

San Antonio, Texas Feb 28, 2023 ([Issuewire.com](https://www.issuewire.com)) - Recently, Brooklyn Chandler Willy was featured in [San Antonio Monthly Magazine](#).

The San Antonio Monthly is a contemporary magazine full of fun and sophistication. It features a variety of articles and advertisements that are modern and upscale. The magazine also features cutting-edge graphic design and interviews with a roster of prominent individuals in San Antonio and all around the country. Its online format ensures that each issue is visually exciting and fun to read.

During her feature story, Brooklynn Chandler Willy covers topics such as women in business, achieving a work-life balance, and milestones she has made throughout her career. Brooklynn explains that much of her motivation and passion comes from her time listening to audiobooks and podcasts covering spirituality, leadership, and professional development, just to name a few.

[Brooklynn Chandler Willy](#) enjoys surrounding herself with professionals who encourage her daily and keep her moving forward. In the upcoming years, she hopes to find additional like-minded advisors that embody everything Texas Financial Advisory seeks to offer. Texas Financial Advisory is unique because it strives to move from traditional transactional relationships to a more ongoing relationship with clients.

Brooklynn is a registered professional with the JDRF CDFA based in San Antonio, Texas. She founded Texas Financial Advisory in 2008 and is currently the President.

Brooklynn's career in the financial services industry took a turn following her father's death. She learned how losing a loved one could be challenging without being prepared. She dedicated herself to helping people get the necessary plans to avoid similar situations.

Moreover, [Brooklynn Chandler Willy](#) hosts the Texas Financial Advisory Show on weekends on KTSA 550 AM and WOAI 1200. She shares her knowledge and expertise on a wide range of topics. During her show, listeners can hear about the advantages of a retirement income plan and how it can help them reduce their taxes and provide a secure and lasting income.
