

Carlo Minuta offers a resonating spiritual pulse through his ambient track 'Long Time'

“Long Time” a great chilled tune where you’ll find yourself floating in. The single is an ode to ambient music, with new and enveloping atmospheres. A track dedicated to meditation and transcendent.

Catania, Sicilia Feb 17, 2023 ([IssueWire.com](https://www.issuewire.com)) - Music therapy is one of the greatest healing methods that help to pave the way for transcendence and good ambient music can do that. Carlo Minuta, being one of the greatest in the industry, has come up with his captivating instrumental composition along with

Symphonos Italia. The track is titled 'Long Time', a meditative musical journey that evokes deeper feelings from within. The track has already garnered more than 100.000 streams collectively from various major music platforms.

Methodical beats and a slowly progressive soundscape with subtle transitions make 'Long Time' a timeless creation that resonates deep within the heart. Whether it is dampened synths or mysterious textures; the track offers an essence that the artist calls a 'relaxed curiosity'. Such an amazing musical ambiance is quite hard to compose and Minuta has done that effortlessly. Some of his other works like 'High on Love', 'Bar Night', 'Save a Soul', etc are the greatest examples of his talent and skills. These albums offer a handful of singles with more dynamics and creativity. He has also dropped an EP named 'Different Ways' that offered listeners 5 exquisite singles.

Proceeding on a never-ending musical journey, Carlo Minuta is keeping his name out there with every successful release. The artist is looking forward to dropping more exquisite musical projects in the coming days and he is already busy working on his upcoming project. Follow the artist on all the major music platforms like Spotify, Apple Music, YouTube, Tidal, and others to get more updates. You will find him at <https://songwhip.com/carlominuta/long-time>.
