

Coverage for Warzones & Hotspots

Individuals and groups require safety, security and medical coverage to go into a restricted region and the World Explorer Hotspot plan provides the essential solution.

Birmingham, Alabama Feb 9, 2023 ([Issuewire.com](https://www.issuewire.com)) - [Insured Nomads](#) announced the launch of the World Explorer™ Hotspot plans for coverage of warzones, hotspots, and restricted regions.

Whether going for aid work in Afghanistan, rebuilding in Ukraine, social work in Sudan, or para-governmental work in Iraq it's essential to have security, safety, and medical coverage whether going as an individual, team, or company/organization this is a vital risk management solution that is ready-made or tailored to your needs.

These plans are offered through a partnership with Hotspot Cover, policies are underwritten by Opportuna Insurance PCC Limited - Frank Risks Cell, which is authorized and regulated by The Guernsey Financial Services Commission (GFSC). Opportuna Insurance PCC Limited is a Protected Cell Company licensed in the Bailiwick of Guernsey (registration number 68684). Hotspot Cover DAC; is a Designated Activity Company registered in Ireland (registration number 632153) authorized and regulated under part 16 of the Companies Act 2014. Hotspot Cover is backed with reinsurance capacity by certain underwriters at Lloyd's of London.

Insured Nomads is an insurtech/traveltech providing insurance plans through the leading brokers globally and allied distribution partners. Currently serving through health insurance covering modern companies, remote workers, and ex-pats, along with short-term medical for global professionals and travelers, and protection plans for electronics/belongings for remote teams and digital nomads.

The World Explorer™ series includes World Explorer™ (int'l travel medical), World Explorer™ Multi

(annual travel medical), World Explorer Guardian™ (medical + trip cancelation), and now the World Explorer™ Hotspot (restricted regions).
