New Delhi, Delhi Feb 22, 2023 ([IssueWire.com](https://www.issuewire.com)) - Dial4Trade, a foremost innovative start-up, focused on connecting buyers to sellers has been awarded the Emerging B2B Portal in India by Industry Leaders Awards with chief guest Mrs. Sonali Bendre.

This award is a recognition of Dial4Trade's commitment to promoting small and medium businesses online and providing them with an all-in-one marketing platform to reach out to more customers. Dial4Trade is proud to be recognized as an emerging leader in the B2B space in India, and we will continue to work hard to provide our users with the best possible experience. The company which is hinged on the idea of helping businesses get a chunk from the digital world has helped to transform SMEs across the country. Dial4Trade provides the expertise to SME owners who can then focus on selling their products online. This, in addition to a free business listing and connecting buyers to sellers, is the stronghold of www.dial4trade.com.

While receiving the award on behalf of the company, the co-founder, Arun Pratap Singh, was thankful to the team at the Industry Leader Award (ILA). It is a testament to our team's hard work and dedication to helping businesses succeed." Singh added that the award will help Dial4Trade build further momentum as it continues to expand its reach and impact across India. He also maintained that the award was a recognition of the fantastic work that everyone at Dial4Trade has put into the organization. Much more, he maintained that it is a clarion call to duty, and all hands must be on deck to move the organization to the next level. Arun's humble beginning prompted him to use ingenuity to help SMEs compete in the vast internet world and he believes that Dial4Trade can only do more. "We are definitely not stopping here, and we are not stopping until every SME in India can compete in the online space where there are limitless opportunities.", he added.
