

Hamed Al Suwaidi: In the footsteps of leadership in the Year of Sustainability

How the UAE will lead the sustainability march Mohamed bin Zayed's insightful vision in the year of sustainability must be emulated Dr. Hamed Mohamed Khalifa Al Suwaidi, Advisory Council Member Cambridge Institute for Sustainability Leadership CISL

Abu Zabi, United Arab Emirates Feb 18, 2023 ([Issuewire.com](https://www.issuewire.com)) - Dr. Hamed Bin Mohamed Khalifa Al Suwaidi, Founder and President of the Al Suwaidi Foundation, Chairman of the Board of Trustees of Abu Dhabi Arts Society (ADAS) and Advisory Council Member of Cambridge Institute for Sustainability Leadership in a statement: "2023 is a special year for the United Arab Emirates, as it will host the largest United Nations climate change conference in the world - COP 28, after which the legal landscape and corporate governance will change, and therefore the risks and opportunities for companies and institutions will change, especially after the Board of Directors of the Institute adopted our new strategy.

Dr. Hamed Al Suwaidi Added: "We are proud that the UAE views sustainability as something very important for the future due to the vision and support of our wise leadership, as over the past years, His Highness Sheikh Mohammed bin Zayed Al Nahyan, has always directed the adoption of initiatives related to sustainability and achieving climate neutrality, hosting the 28th Conference of the Parties indicate its commitment to a practical and realistic methodology that focuses on the massive research it is leading to help address the climate crisis by reducing emissions and accelerating the wheel of transformation based on renewable sources

Dr. Hamed Al-Suwaidi thanked the members of the Board of Directors of the Cambridge Institute for Sustainability Leadership for their support of sustainability efforts and environmental preservation. He also stated that His Majesty King Charles III of the United Kingdom and President of the Commonwealth had praised the founder and president of the University of Cambridge Institute for Leadership and Sustainability, for the pioneering role of the UAE in advancing climate action efforts and the insightful vision of the president of UAE and his directives that influence decision-making and putting UAE as an example in drawing international politics

About Al Suwaidi Foundation

The Al Suwaidi Foundation was founded by Dr. Hamed bin Mohamed Khalifa Al Suwaidi, in 2019 to undertake projects designed to preserve the cultural and artistic heritage of the UAE. its vision is to become the main source of reference for family personnel that shaped the formation of the UAE and the inspiration hub for young talents interested in artistic heritage.
