

Internationally Acclaimed Artist Butta B-Rocka Drops Hypnotic new R&B Single "Time Stands Still"

It is hard to think of an artistic area where Butta B-Rocka isn't powerful. With her new song "Time Stands Still," she showcases the beautiful voice that made her an in-demand artist.

Atlanta, Georgia Feb 15, 2023 ([Issuewire.com](https://www.issuewire.com)) - Multifaceted Butta B-Rocka's, creative career spans many disciplines; international recording artist, songwriter, film director/ producer, screenwriter, actress, model, and author! With an extremely versatile style that blends numerous elements of nostalgic R&B, pop, rock, and gospel she never fails to captivate any audience she sings to with her

unique sonic quality.

Butta is celebrating her roots with a fresh new song dripping with soul, "Times Stands Still."

"Time Stands Still" embodies the authentic essence and tonality of R&B, and her soulfully raw voice serenades a listener's soul in inexpressibly beautiful ways. An original ballad, the intimate lyrics over the luxurious instrumentation are something close to paradise. Penned by Butta and expertly produced by Team MFN, capturing Butta's voice is all of its hypnotizing power.

Butta has redefined the term "versatility" by showcasing her vocals and composed pieces for ears worldwide. Between her background vocals, demo recordings, and stage performances, Butta's résumé boasts work and assistance with international superstars, Grammy winners, and performers like Janet Jackson, Akon, TLC, Kanye West, NAS, Usher, Collective Soul, Zac Brown, Lil Zane, Dream, Japanese star Namie Amuro, Belgium artist Sandrine and countless other talents across the globe.

Butta is a triple threat, your one-stop shop!
