

It's Time to Take Fan-Film Making Dreams to the Next Level

Multiverse Media is a upcoming new studio.

San Antonio, Texas Feb 17, 2023 (Issuewire.com) - Multiverse Media Launches New Fan-Film Studio

It's time for fans to take their film-making dreams to the next level. Multiverse Media has arrived and is here to make fan films a reality.

Founded by an individual with a passion for film-making, Multiverse Media is dedicated to creating amazing fan films. They are currently looking for talented individuals to join their team, from film production to story creation.

The first release from Multiverse Media is "Ninjago Knights," a stop-motion Lego mini-figure film that will excite viewers of all ages. What's more, the founder of Multiverse Media has a big surprise up their sleeve. Very soon, a teaser for their biggest project will be released on social media, creating a huge fan-film community event.

Follow Multiverse Media and become a part of the journey. It's time to explore new and exciting worlds through the magic of fan films. Get ready for an epic experience.
