

Jive To the Lively Music of The London Hip Hop Artist Aggregate TFX in His Latest Single 'Koko'

Aggregate TFX has released a brand new single, 'Koko' making his name more known in the global music industry. Listen to the London Hip hop Artist on SoundCloud.

London, Feb 21, 2023 ([IssueWire.com](https://www.issuewire.com)) - The popularity of the Afrotensive is currently on the rise and the recent release by the extremely talented artist **Aggregate TFX** will soon not only make his song but the entire genre more popular. The [London Hip hop Artist](#) has shown immense talent and took an impressive creative choice by composing and releasing the single '[Koko](#)'. Just like the

beautiful name, the song also makes people feel emotions, especially happiness, and groove along to the music. Out on SoundCloud, the track is the perfect example of a hip-hop and Rap track carrying the true essence of the genre with perfection and mastery.

It has not been long since the artist made his debut in the music industry, and soon with his talent, hard work, and continuous urge for improvement gained a lot of love and support from his fans. In just this short period, he has made an adequate amount of fan following who are supporting the new venture with open arms. **Aggregate TFX** has shown how the right creative choices can lead to success. This young and enthusiastic artist has done an impressive job at composing this track which will light up the entire room with just the dynamic beats. This one-man-army has not only composed, written, and produced the track by himself but also owns the production label '**ABS Studios**' from where he publishes his records.

Born and brought up in London, he has been into music since he was a child and his passion for making music has led him to build this blissful career for himself. His music is unique and '**Koko**' is a prime example of it. Filled with energetic beats, emotive lyrics, rap verses, and lastly the powerful vocals of the artist, the song is something that everyone would enjoy.

Listen to his other hit, 'Tininitanana' along with the new release on SoundCloud.
