Get to know Certified Registered Nurse Practitioner, Kelli Martin, who serves patients in Anniston, Alabama.

New York City, New York Feb 16, 2023 ([Issuewire.com](https://www.issuewire.com)) - Kelli is a certified registered nurse practitioner with Regional Health Management Corporation, a medical group in Anniston, Alabama.

Prior to her current endeavors, she served as a registered nurse in the Emergency Department at RMC

Stringfellow Memorial Hospital, and at Anderson Regional Health System.

Academically, Kelli graduated with her nursing degree from Mississippi Delta Community College in 2005. She then went on to earn her Bachelor of Science in Nursing degree from Cumberland University in 2016, after which she obtained her Doctor of Nursing Practice degree from Samford University in 2022.

Attributing her success to hard work and great support from her family, Kelli is an active member of the American Association of Nurse Practitioners (AANP). The AANP is the largest and only full-service national professional membership organization for NPs of all specialties.

A Certified Registered Nurse Practitioner (CRNP) is an advanced practice registered nurse who provides care to patients across their lifespan in the realm of primary care. They perform comprehensive and focused physical examinations, diagnose and treat common acute illnesses and injuries, and provide pediatric immunizations to ensure well-child care. CRNPs can order and interpret diagnostic tests, prescribe medicines and therapies, and perform certain procedures (based on state/national practice guidelines). They can also educate and counsel patients and their families regarding healthy lifestyles, healthcare options, and disease prevention.
