

Leawo's Last Two Weeks of New Year Sales are Overflowing with Epic Deals – 60% OFF Ultimate DVD Toolkit

With the arrival of February, Leawo's New Year event also ushered in the last two weeks. During this period, people can shop Ultimate DVD Toolkit with 60% discount, other up to 70% selected bundles and singles, and Music Recorder for free.

Shenzhen, Guangdong Feb 1, 2023 (Issuewire.com) - After a hectic holiday season, the start of a new year is a time to focus on yourself and the possibilities for the next 12 months. One of the best ways to reset is to refresh your hardware and software. Luckily, Leawo Software, a company specializing in multimedia solutions and data management software, released their [2023 New Year Sales Free Giveaway & 70% OFF Specials](#) at the beginning of the new year. As of February 15th, there are still two full weeks for you to shop for special software. This massive promotion spans various multimedia solutions, including Blu-ray, DVD, video, audio, photo, etc. To cater to everyone, we have picked the best Ultimate DVD Toolkit with a 60% discount.

Ultimate DVD Toolkit is actually a 3-in-1 DVD media conversion solution toolkit that includes DVD Ripper, DVD Copy, and DVD Creator. With the help of this bundle, you can decrypt, rip and convert DVDs to video, copy DVDs to a computer or blank disc, burn video and photos to DVD content, and more. If you happen to have these needs, then it is definitely one of the most worthwhile things you have

in the new year. The lifetime license is priced at just \$47.94, a savings of \$71.91. To learn more specific features of each product in this bundle, check the following.

- [Leawo DVD Ripper](#) supports ripping and converting DVDs to video and is able to extract audio content from source DVDs and save them to various audio formats. With advanced acceleration technology and world-leading disc decryption technology, Leawo DVD Ripper is 6 times faster than other DVD-ripping software on the market. What's more, with detailed video and audio parameters adjustable, you can 100% preserve the original quality of the source DVD content by setting the resolution, frame rate, and aspect ratio to the original value.
- [Leawo DVD Copy](#) provides 3 different ways to copy a DVD - Full Movie mode copies the whole DVD, Main Movie mode can perform a movie-only backup, and Custom Mode allows you to select the DVD part to copy. As one of the [best DVD copy software](#), Leawo DVD Copy allows you to copy DVDs without any limitations. For example, it can remove CSS protection and region codes applied to DVD discs. With this software, you also don't have to worry about the quality loss during the DVD copying process, because it is capable of performing 1:1 DVD copy.
- [Leawo DVD Creator](#) is equipped with the function of converting video to DVD. It supports more than 180 formats and can burn videos in formats such as AVI, MKV, MP4, WMV, Xvid, MOV, and FLV to DVD-9 and DVD-5 discs. With it, you can easily create DVDs from various videos such as homemade videos or movie clips. Plus, it has a built-in photo slideshow maker that allows you to create photo slideshow videos and burn them to DVD. What's more, users can choose their favorite templates according to their preferences from 40+ preset templates.
