Taryn Leiker, the first recipient of the *A Force for Good* award.

LivePURE, a leader in the health and wellness industry, announced today that Taryn Leiker, a Brand Partner from Hays, Kansas, was named the company's first recipient of *A Force for Good* award.

"Saying yes to trying a product to help with my cravings seemed like such a small thing ten years ago. Little did I know that a simple decision would be the catalyst to open up a world of endless possibilities. I am honored and grateful to receive this award, but even more on what it represents." Taryn Leiker. "LivePURE allowed me an opportunity to see what I was capable of which allowed others permission to do the same. The differences in our lives and those we have encountered made an impact for generations for which I am truly thankful."

The purpose of this award is to recognize excellence in leadership involving people, events, programs, health awareness, and in making a difference in the communities where they live. LivePURE is dedicated to the personal growth and business development of individuals and communities.

“Taryn has been with LivePURE for over 10 years. Her devotion and love for the city of Hays, Kansas, and surrounding communities have positively impacted the economic growth of the area and have enhanced the lives of those within those communities”, said LivePURE President, Rick Redford. Taryn’s sales tax revenues have exceeded over 3 million dollars and are responsible for commissions paid to her Brand Partners of close to 14 million dollars in the last 10 years. Taryn’s sales since joining LivePURE have exceeded 46 million dollars.

With Taryn’s success, she has been instrumental in giving back to local and worldwide organizations. The Leiker family started PURE Roots Foundation, and taught their children Reece and Channing the skills to make a difference which provided the funds to build 20 homes in Nicaragua for the extremely poor. The Leiker family is passionate about their local community and contributes to a number of projects in the area, including a scholarship to FHSU that will start in the Fall of 2023.

In recognition of Taryn’s commitment to LivePURE, she has earned over 20 incentive trips to worldwide destinations, such as Australia, Bora Bora, and Italy. Taryn was invited and now participates on LivePURE’s President’s Council, an advisory group of independent Brand Partners who work closely with corporate executives to create plans to insure the future growth of the company.
