**London, United Kingdom Feb 11, 2023 ([Issuewire.com](https://www.issuewire.com))** - Drinking Mates Live, a new platform designed to connect people who enjoy drinking, has been launched to help people find drinking buddies all over the world. The platform's aim is to bring together individuals who share a love of drinking and socialising, whether it be over a video call or in person.

The platform's live chat feature has an automatic translation for over 90 languages, making it easy for people to connect with others, no matter where they are from. Drinking Mates Live also offers users the opportunity to save money by drinking at home with new friends rather than on expensive nights out.

In addition to helping users save money, Drinking Mates Live also provides the opportunity to meet new people and make new friends. Whether someone is new to a city or just looking to expand their social circle, Drinking Mates Live is the perfect platform for those looking to connect with like-minded individuals who enjoy drinking and socialising.

You can add friends, send virtual drinks, and say cheers in lots of different languages. They offer a standard member account or a VIP Drinker plan that provides unlimited access to all the features and advanced searching capabilities.

"We're excited to offer a platform that not only connects people with similar interests but also helps them save money and meet new people," said a company spokesperson of Drinking Mates Live. "Our platform offers a fun and safe way to connect with others and find drinking buddies, no matter where you are in the world."

Many people feel anxious or shy about starting a conversation with a stranger at a bar. The pressure to make a good first impression and the fear of being rejected can be overwhelming. However, Drinking Mates Live, the new platform that helps people find drinking buddies online and in person, can help people overcome their shyness and anxiety about meeting new people.

By connecting with like-minded individuals who share a love of drinking, users can feel more at ease and comfortable in starting a conversation. The platform's live chat feature allows users to get to know each other before meeting in person, helping to ease any anxiety about meeting face-to-face.

Drinking Mates Live also provides a supportive and non-judgmental environment where users can safely connect with others who share similar interests. Whether someone is looking to expand their social circle, make new friends, or just enjoy a drink with someone new, Drinking Mates Live offers a fun and safe way to do so.

So, if you're feeling anxious about starting a conversation with a stranger at a bar, consider joining Drinking Mates Live. It could be just what you need to overcome a dull night at home alone!
