Los Angeles, California Feb 27, 2023 ([Issuewire.com](https://www.issuewire.com)) - **Pablo y Sebas** has been nominated this year Once again for the best couple category. at the [Grabby Awards Europe 2023](#), held at the Hotel Ritual Torremolinos, Spain.

"The couple says they are very excited and eager to attend once again the event, as last year they had a great time and they will love to repeat the experience.

About winning the awards, this year we didn't expect to participate, After winning 2021/22 we believe that new faces deserve to have the chance to win and feel the experience of it.

But as We value all our work, we are very happy that our followers value it too, By nominating us as Best Couple, We love this nomination category, we feel super happy and we would love to win this 2023 again. Considering that it is a category that fits perfectly with our profile, why not repeat another year "Best Couple"

Wishing to have the support of our fans, also we feel very excited to be surrounded by some friends and colleagues in the industry, as well as we hope to meet some new people and projects.
