

Queen Kenzie is Back with The Real Essence of Hip-Hop in Her New Single 'BALENCIAGA'

Rising superstar of the music industry Queen Kenzie sets the stage on fire with her newly released single 'BALENCIAGA'. The song is now available on Spotify.

West Des Moines, Feb 23, 2023 (Issuewire.com) - The performing art of Hip-hop has given many artists worldwide fame and popularity. Along with it, it has given many new artists a chance to shine and in this list, the latest addition is the promising young talent, **Queen Kenzie**. The singer has recently released a brand new single titled '[BALENCIAGA](#)' that has set the stage on fire. The rap flow

and beats of the track are gaining massive appreciation from all over the world and people are welcoming the new creation of the artist with love and support. With this new musical creation, the young artist has very well captivated the emotions of the young generation, giving them what they want, which is groovy beats and entertaining rap verses. The track is oozing of confidence which is also the reason why it plummeted to success upon its release.

Queen Kenzie did an amazing job at creating this track that makes the audience come down to the dance floor as the groovy beats make it impossible to ignore. The release has also got a fizz to it, which is why the song will soon be the most streamed track on the artist's discography. The rap verses also showcase the artist's creative side and perfectly express the message she wanted to convey to her listeners. **'BALENCIAGA'** is a perfect example of a track carrying the true essence of a hip-hop and rap song.

The song is out on Spotify, [SoundCloud](#), and [Apple Music](#) along with her previous hits, 'Fresh Lamb', 'Let It Spray', 'Rich', 'thomas edison', etc. For more information, follow her on [Facebook](#), [Instagram](#), [Twitter](#), and [YouTube](#).
