

initiatives are part of the Foundation's celebration of the Season of Non-Violence, which takes place from 30th Jan to 4th April 2023.

Founded by Dr. Birendra Kumar, [Non-Violence Foundation](#) is committed to promoting non-violence and peace through education, advocacy, and community-building initiatives. The Foundation's work is rooted in the teachings of Mahatma Gandhi, who advocated for non-violent resistance as a means of achieving social and political change.

"We are thrilled to announce the expansion of [Mahatma Gandhi College of Social Work](#) campus and the launch of PG Diploma Course in **Seeds of Non-Violence**," said Dr. Birendra Kumar, Founder of Non-Violence Foundation. "These initiatives will help us further our mission of promoting non-violence and peace through education and community-building."

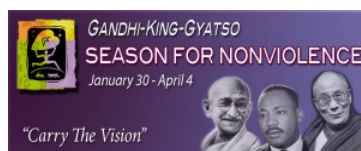

The PG Diploma Course in Seeds of Non-Violence will provide students with a comprehensive understanding of the principles and practices of non-violence. The course will cover topics such as conflict resolution, social justice, and human rights. Students will also have the opportunity to participate in community-based projects that promote non-violence and peace.

In addition to the expansion of the College and the launch of the PG Diploma Course, Non-Violence Foundation is also running a campaign called ["Pledge for Non-Violence."](#) The campaign encourages individuals to take a pledge to promote non-violence in their daily lives.

The Foundation is also adopting 168 Acer Park of DDA park under the Park Adoption Policy, which will be converted into Peace Century Park soon this year and possibly launch on 2nd October. The park will be restored on the theme of G20 - One Family One Earth One Future. This park will be a live demo of Agrology and Ecology, where 1000-1500 hundred students will visit daily and learn all about native trees, biodiversity, water cycle, zero waste management, energy cycles, and do practical with sustainable farming and foods.

[Dr. Birendra Kumar](#) called on corporate sectors or angel funders to come forward and help the Foundation to show and donate generosity to make the dream project come true. All corporate sectors or individuals who contribute to the mission will get a lifetime membership in the organization, 7 days of hospitality with 7 family members every year in the park with all activities and learning tours. The company or organization will also get publicity in 100+ online portals, Wikipedia page, acknowledge in the annual report and official website, and above all can enjoy tax benefits as per their respective country law. The Foundation will provide tax benefits across USA & Canada, the UK, or Europe with associated organizations.

"We believe that non-violence and peace are essential for building a better world," said [Dr. Birendra Kumar](#). "We are grateful for the support of our community and look forward to working together to promote non-violence and peace around the world."
