Marietta, Georgia Feb 13, 2023 ([IssueWire.com](https://www.issuewire.com)) - **Jackie Pippins** is working under the umbrella of AMAZING NEEDS AND SERVICES, LLC, a leading financial education and training provider. She partners with a large group of seasoned and experienced trading & investing mentors to educate and guide people on the opportunities and potential rewards of trading and how to navigate the market confidently. Jackie is proud to offer guidance and mentorship for all looking for a comprehensive understanding of trading & investing, including the mechanics of the market, key trading strategies, and risk management techniques.

Whether you want to take control of your financial future, become an experienced investor, or simply escape your 9-5 job and do things that can generate a steady source of cash flow and income for you, trading & investing is a good option for you and with the professional help and mentoring from Jackie, you're going to take maximum advantage of it.

Jackie is thrilled to help people navigate the complex world of trading and investing. While talking about her mission, she was quoted as saying:

"I strongly believe anyone can become a successful trader or investor with the right education, support, and guidance. With the help of my partner trading & investing mentors, I am committed to providing a knowledgeable platform to everyone who wants to maximize their earnings, build a rock-solid financial portfolio, and leave behind a legacy for future generations," she further added "my mission is to empower the aspirants of the trading & investing industry with the tools and knowledge they need to develop success-oriented trading strategies. I am thrilled to announce that I am now accepting new clients and working with a proactive approach to help achieve their financial goals."

People who sign up will have the opportunity to ask questions, participate in interactive discussions, and receive a comprehensive guide to popular ways of passive incomes in Stocks, Forex, and Cryptocurrency. They will also gain access to Facebook Groups, Live Events, Weekly Zoom Training Calls, Free In-Person Investing & Trading Workshops, Seminars, and Live Trading Rooms to connect with top traders from around the Globe!

It's time to secure your financial future by joining the financial revolution Today! For more info or to schedule a phone interview, call (678) 462-5461
