Alpharetta, Georgia Feb 3, 2023 (IssueWire.com) - An Exclusive Event to support its work of Equipping, Training, and Developing Families.

Victorious Family, a Christian Family Discipleship equipping organization, is excited to announce its Distinct Experience Dinner Gala Wednesday, April 19, 2023, from 6:30 pm – 10:00 pm at the World of

Coca-Cola. In addition to dinner, the evening will feature an exclusive tour of the World of Coca-Cola; Champion Speakers including Hobby Lobby President Steve Green, FamilyLife Today® Co-Host Bob Lepine, and Victorious Family Founder Terence Chatmon; and a sneak-peak of unreleased research from the Barna Group Founder George Barna.

“There is a crisis in America,” said Dr. Terence Chatmon. “Most would agree that this crisis is the moral decay of the family. That’s why I founded Victorious Family. Through our ministry, we are redefining the paradigm of Family Discipleship.

Future generations will be living in a world that is very different from that to which we are accustomed. It is essential we prepare ourselves and our children for that new world.”

The Distinct Experience Dinner Gala is an opportunity for us to share where the Lord is calling us to Take the Next Step as we partner with churches, marketplace leaders, schools, camps, and universities to equip a generation to reach a generation.

About Victorious Family

Victorious Family is a Christian Family Discipleship training and resource ministry founded over 12 years ago led by founder, Dr. Terence Chatmon. Terence was a successful senior executive in corporate America and served in leadership roles with several Fortune 500 companies, including Johnson & Johnson, Citibank, and The Coca-Cola Company. While he continued to achieve success as a marketplace and organizational leader, he saw the need for greater spiritual formation in his own family. Since then, Terence has committed himself to being a family champion in his home for over 25 years. What began as a family bible study in the Chatmon home has grown into a family discipleship movement through the parenting workshop,

Charting Your Family’s Spiritual Journey and has reached more than 100,000 participating families.

At Victorious Family, our mission is to equip and empower family champions who make mature and thriving parents. We are poised and mobilized to see this movement extend across the world, through the most transformational step-by-step family spiritual development processes available today.
