

World's Finest Chocolate Introducing Queen Anne Cordial Cherries to Japan

Chicago, Illinois Feb 4, 2023 ([Issuewire.com](https://www.issuewire.com)) - World's Finest Chocolate is proud to announce the introduction of Queen Anne Cordial Cherries to Japan, just in time for the famous Cherry Blossom Festival. With a rich history dating back to 1948, the cordial cherries have become a classic treat that has connected generations to cherished memories and inspired new ones.

Michael Sforza, Director of Sales at World's Finest Chocolate, says, "Japan's love for the Sakura Festivals and gift-giving traditions makes the country the perfect venue to introduce Queen Anne Cordial Cherries." He adds, "We're excited to share the unmatched flavor and quality of our cordial cherries with the people of Japan."

Founded in 1921 by Herman Glickman, Harry Martin and Max Weiss, the chocolate confection company started with a passion for rich chocolate, enrobed caramel, nuts, and marshmallows, among other specialty chocolates. The introduction of the first Queen Anne Cordial Cherry in 1948 was a turning point for the company, and it quickly became its most successful product.

In 2006, the family-owned and operated World's Finest Chocolate acquired the brand and has continued to produce cordial cherries of unparalleled quality using only the finest ingredients. With unique flavor profiles such as Coconut, French Vanilla, and Cherry Cola, Queen Anne cordial cherries are perfect for holiday gatherings, birthdays, graduations, or special dinners.

As one of only six companies in the U.S. to produce chocolate products from "bean to bar" in a single location, World's Finest Chocolate is dedicated to preserving the rich history of Queen Anne cordial cherries and sharing it with the world.

World's Finest Chocolate broke the Guinness World Record for creating the largest chocolate bar, which weighed in at more than 12,000 pounds and measured almost 3 ft. high and 21 ft. long.
