

Aaron Kime, MD, a Cardiac Surgeon with Cardiac Surgery Associates, S.C.

Get to know Cardiac Surgeon Dr. Aaron Kime, who serves patients in Illinois.

New York City, New York Mar 7, 2023 ([Issuewire.com](https://www.issuewire.com)) - Dr. Kime is a highly-trained surgeon who is a part of the team of professionals at Cardiac Surgery Associates, S.C. His specific areas of interest include open and endovascular treatment of complex aortic disease, coronary surgery, mitral valve surgery, arrhythmia surgery, and all other facets of adult cardiac care.

Locally, he is affiliated with Elmhurst Memorial Hospital, Edward Hospital, Advocate Lutheran General Hospital, Advocate Illinois Masonic Medical Center, Advocate Good Samaritan Hospital, AMITA Health Saint Joseph Medical Center Joliet, AMITA Health Mercy Medical Center Aurora, and AMITA Health Resurrection Medical Center Chicago.

With over 36 physicians and 24 locations, Cardiac Surgery Associates offers comprehensive medical care for patients and their families. They pride themselves on using the most up-to-date medical technology to provide the best care possible to patients. Their mission is to compassionately restore the fullness of health to patients and their families through surgical excellence, technology, and dedication.

A Chicagoland native, Dr. Kime grew up in the Northern suburbs of Chicago. He attended the University of Illinois Urbana-Champaign where he received a Bachelor of Science degree in Mechanical Engineering. He then went on to earn his medical degree from Rush Medical College, graduating as a member of the prestigious Alpha Omega Alpha honor society.

Furthering his training, he completed an integrated cardiothoracic surgery residency and fellowship at the University of Southern California, before returning to the Chicagoland area.

Board-certified in cardiac and thoracic surgery, Dr. Kime is a Diplomate of the American Board of Thoracic Surgery (ABTS). The ABTS is an American surgical organization devoted to surgery of the chest.

On a professional level, he is an active member of the Society of Thoracic Surgeons, Alpha Omega Alpha, the American Medical Association, and the Chicago Medical Society.

Cardiac surgery is a branch of medicine that deals with the disorders of the heart, as well as some parts of the circulatory system. The field includes medical diagnosis and surgical treatment of congenital heart defects, coronary artery disease, heart failure, valvular heart disease, and electrophysiology. Cardiac surgeons are doctors who diagnose, assess, and treat patients with diseases and defects of the heart and blood vessels (the cardiovascular system).
