

Abhay Agarwal, MD, an Internist with Cary Medical Clinic

Get to know Internist Dr. Abhay Agarwal, who serves patients throughout the State of North Carolina.

New York City, New York Mar 24, 2023 ([Issuewire.com](https://www.issuewire.com)) - Dr. Agarwal is an accomplished internist practicing who is committed to providing personalized care to adolescent and adult patients, with the aim of helping them maintain optimal health and a high quality of life.

At Cary Medical Clinic, he leads a team of healthcare professionals who offer integrative health services

that are customized to meet the specific health needs, preferences, and goals of each patient. They offer a range of services, from preventive care and routine check-ups to management of chronic conditions and complex medical issues.

In regards to his educational background, Dr. Agarwal received his medical degree from the University of Mumbai in India in 1993, and then went on to complete his residency training at Thomas Jefferson University in Philadelphia, Pennsylvania.

Passionate about his profession, the doctor is board-certified in internal medicine by the American Board of Internal Medicine (ABIM). The ABIM is a physician-led, non-profit, independent evaluation organization driven by doctors who want to achieve higher standards for better care in a rapidly changing world.

Internal medicine is the medical specialty dealing with the prevention, diagnosis, and treatment of adult diseases. Physicians specializing in Internal Medicine are called Internists. They manage and prevent common and complex diseases by providing comprehensive care and promoting overall well-being.

In 2003, Dr. Agarwal was awarded the prestigious “Physician’s Recognition Award” by the American Medical Association, a testament to his expertise and dedication in the field of medicine. Patients who have received care from him describe him as courteous, reliable, and highly skilled in his profession.
