

Alice Le Huu, MD, a Cardiologist with Marshfield Medical Center - Marshfield

Get to know Cardiologist Dr. Alice Le Huu, who serves patients in Marshfield, Wisconsin.

New York City, New York Mar 3, 2023 ([Issuewire.com](https://www.issuewire.com)) - Dr. Huu is a cardiologist at Marshfield Medical Center - Marshfield in Wisconsin. She provides the operative, perioperative, and critical care of patients with pathologic conditions within the chest.

Marshfield Medical Center - Marshfield provides the latest medical technology, research, and education to serve patients from all across the United States, Canada, and around the world. The flagship medical center cares for patients from throughout central, northern, and western Wisconsin.

Before embarking on her professional journey, Dr. Huu graduated with her medical degree from the University of Montreal Faculty of Medicine in 2009. She then went on to perform her residency in cardiovascular surgery at McGill University Health Center Institutions in 2016, her fellowship in advanced cardiac surgery at Kelowna General Hospital in 2018, and her fellowship in aortic surgery at Texas Heart Institute in 2020.

Board-certified in cardiovascular disease, Dr. Huu is a Diplomate of the American Board of Internal Medicine (ABIM). The ABIM is a physician-led, non-profit, independent evaluation organization driven by doctors who want to achieve higher standards for better care in a rapidly changing world.

Licensed to practice medicine in Wisconsin, she is affiliated with Marshfield Medical Center - Rice Lake, Marshfield Medical Center - Eau Claire, and Marshfield Medical Center - Ladysmith.

Cardiology is a branch of medicine that deals with the disorders of the heart, as well as some parts of the circulatory system. The field includes medical diagnosis and treatment of congenital heart defects, coronary artery disease, heart failure, valvular heart disease, and electrophysiology. Cardiologists are doctors who diagnose, assess, and treat patients with diseases and defects of the heart and blood vessels (the cardiovascular system).
