Apex Pro Painting is a full-service Painting Company Jacksonville, FL assisting with interior and exterior painting projects. The service range includes interior house painting, commercial painting, professional drywall repair, wallpaper removal, interior trim carpentry, exterior house painting, pressure washing, deck staining, concrete surface coatings, and vinyl siding painting. They can help you rediscover the power of the right color selection and professional paint in transforming your property's appearance. Whether it's a full house remodel or just a new accent wall, Apex Pro provides seamless and efficient painting services that fit your style, budget, and needs.

With over 30 years of experience, they know how to get the painting job done quickly and to the highest standard. Whether it's a living room, dining room, kitchen, deck, fence, bedroom, or game room painting, the company delivers ultimate painting results. While doing the job, they cover your furniture and floors with a protective plastic sheet to prevent color droplets. They prepare walls and surfaces by filling holes and cracks, sealing any stains, and creating a clean canvas for a perfect finish. Once the job is done, they perform a final inspection and vacuum your floors and carpets to give you clean, outstanding results.

About Apex Pro Painting:

Apex Pro Painting carries over 30 years of experience in exterior and interior painting services, specializing in commercial painting, wallpaper removal, pressure washing, deck staining & painting, elastomeric coatings, vinyl siding painting, and much more. An expert team will assist clients with selecting the best color paint and ensuring to get an excellent finish. The company uses premium quality paints that are eco-friendly, quick-drying, and produce low or no odor.
