

Ashaki Noni Nichols Announces 2024 Candidacy for President of the United States

Atlanta, Georgia Mar 2, 2023 ([IssueWire.com](https://www.IssueWire.com)) - Today, Ashaki Noni Nichols announced their candidacy for President of the United States. A Business Owner and Paralegal, Ashaki bring over 25 years of experience in the Administrative and Legal field.

"I am running for President because I believe that it is time for a change in the White House," said Ashaki Nichols. "I am committed to getting our economy back on track, our children having better educational choices, and working with congress to ensure our citizens have affordable healthcare. I am a candidate for the people and will fight for the issues that matter most to everyday Americans."

Ashaki has a background working in the legal field and with the military. She has also worked with local government to understand the importance of what citizens care about. She has a proven track record of connecting with those of influence to move initiatives forward. Ashaki has worked in legal, understanding the weight of the constitution and how it needs to be upheld for our country to succeed. This candidate understands politics. With her background, she has successfully been a business owner and understands how to navigate the political arena.

"I am excited to be a part of this process and to have the opportunity to share my vision for this country with the American people," said Ashaki. "I look forward to the upcoming campaign and the chance to earn the support of the people."
