

Brian Joseph Schneekloth, DPM, a Podiatrist with Family Foot Care

Get to know Podiatrist Dr. Brian Joseph Schneekloth, who serves patients throughout the State of Pennsylvania.

New York City, New York Mar 30, 2023 ([Issuewire.com](https://www.issuewire.com)) - A caring and diligent podiatrist, Dr. Schneekloth sees patients at Family Foot Care with offices throughout the state of Pennsylvania. His hospital affiliations include Butler Memorial Hospital, Butler Ambulatory Surgery Center, and the Center for Wound Care of Butler Memorial Hospital.

The doctor's specialties include forefoot surgery, hindfoot and ankle reconstruction surgery, ankle arthroscopy, orthopedic trauma, diabetic limb salvage, advanced wound care, and plastic surgery.

Since 1994, Family Foot Care has been working with patients to provide the best podiatric care for patients in Butler, Kittanning, Saxtonburg, Seneca and Slippery Rock areas. Combining years of specialized knowledge in a friendly, personal manner, the doctors provide high-quality, compassionate care. They maintain the highest levels of accreditation and pursue ongoing education to stay abreast of the latest trends in podiatry.

After graduating with his high school diploma from Neenah High School, Dr. Schneekloth went on to earn his Bachelor of Science degree from Marquette University. He then completed his Doctor of Podiatric Medicine degree at the Barry University School of Podiatric Medicine.

Furthering his training, he performed his residency in orthopedic surgery/podiatric surgery at UPMC in Pittsburgh, Pennsylvania.

Board-certified by the American Board of Podiatric Medicine, Dr. Schneekloth holds certifications in Hyperbaric Medicine (hyperbaric oxygen therapy) and Advanced Cardiac Life Support.

In addition to being a Fellow of the American College of Podiatric Medicine, he is a member of the American College of Foot and Ankle Surgeons, the American Podiatric Medical Association, the American Society of Podiatric Surgeons, and the Pennsylvania Podiatric Medical Association.

Podiatry is a branch of medicine devoted to the study, diagnosis, and medical and surgical treatment of a variety of disorders of the foot, ankle, and lower extremity. A podiatrist, also known as a podiatric physician or a foot and ankle surgeon, is a medical professional devoted to the treatment of disorders of the foot, ankle, and lower extremity. They can treat injuries and complications from ongoing health issues like diabetes.
