

C. Obi Onyewu, MD, a Pain Management Specialist with CHOICE Pain & Rehabilitation Center, LLC

Get to know Pain Management Specialist Dr. C. Obi Onyewu, who serves patients throughout the State of Maryland.

New York City, New York Mar 31, 2023 ([Issuewire.com](https://www.issuewire.com)) - Dr. Onyewu, as known to his patients as Dr. Obi, is a fellowship-trained and double board-certified pain management specialist. He is the Medical Director of the CHOICE Pain & Rehabilitation Center, LLC, operating out of the offices in Olney, Rosedale, Lanham, and Pikesville, Maryland.

The physical medicine specialists at CHOICE Pain & Rehabilitation Center, LLC offer a comprehensive array of solutions for men and women who suffer from almost every type of pain condition, whether it's musculoskeletal, neuropathic, chronic or acute. Each of the doctors at the clinic has specialized training in pain management and uses a multidisciplinary approach to improve the physical, mental, and emotional well-being of men and women in Maryland the Washington, D.C. area.

Dedicated to eliminating acute and chronic pain disorders with minimally invasive techniques, Dr. Obi helps his patients with complex pain concerns return to their regular activities.

With more than two decades of experience, he individualizes each patient's treatment according to their diagnosis, health history, and unique needs. He provides thorough, powerful, and conscientious care to restore both physical health and emotional and mental well-being.

After receiving his medical degree from the Lewis Katz School of Medicine at Temple University in Philadelphia, Dr. Onyewu completed his residency in physical medicine and rehabilitation at Georgetown University Hospital in Washington, D.C. He followed that with a pain medicine fellowship at the Mid-Atlantic Pain Institute in Delaware.

In pursuit of clinical excellence, the doctor is board-certified in physical medicine and rehabilitation by the American Board of Physical Medicine and Rehabilitation (ABPMR) & in pain medicine by the American Board of Pain Medicine (ABPM).

Holding fellowship status, Dr. Obi is a Fellow of the American Academy of Physical Medicine and Rehabilitation (FAAPMR).

Pain management is a branch of medicine employing an interdisciplinary approach for easing the suffering and improving the quality of life of those living with chronic pain. A pain management specialist is a doctor who specializes in pain medicine, focusing on the evaluation, treatment, and prevention of pain.

Successful in his field, Dr. Obi is a perennial nominee and winner of top doctor awards, including The Becker Spine Review's Top 150 Pain Specialists to Know and Vitals Patient Choice and Compassionate Doctor awards.
