

Christa Lee releases debut single "Love Potion" on all streaming platforms

Madison, Wisconsin Mar 4, 2023 ([Issuewire.com](https://www.Issuewire.com)) - Singer/songwriter, Christa Lee, has announced the release of her first single, "Love Potion," now available on all major streaming platforms.

Growing up with a deep love of music, Christa Lee honed her craft by teaching herself guitar and ukulele, and participating in choir and a successful a cappella group in high school. After receiving

callbacks from both The Voice and American Idol, Christa Lee decided to devote her energy into crafting her own music to bring to a larger stage. Her musical style is a blend of pop, indie, and R&B with influences from artists like Harry Styles, SZA, Kali Uchis, and Remi Wolf.

"Love Potion" is an infectious pop track that showcases Christa Lee's unique sound and style. With catchy hooks and a memorable chorus, the song is sure to be a hit with fans of pop and indie music alike.

"I'm beyond excited to share my first single with the world," says Christa Lee. "It's been a long journey to get to this point, and I'm so grateful for all the support and positive feedback I've received so far. I can't wait to see where this adventure takes me next."

"Love Potion" is just the beginning for Christa Lee, who is already hard at work on her next project. With her talent and dedication to her craft, she is sure to make a lasting impact on the music industry.

To listen to "Love Potion" and follow Christa Lee's musical journey, visit her website or follow her on social media.
