

Computer Resources of America Honored on the 2023 CRN Tech Elite 250 List

March 21, 2023 — Computer Resources of America (CRA), is thrilled to announce that CRN, a brand of The Channel Company, has honored CRA on its prestigious 2023 Tech Elite 250 list.

New York City, New York Mar 21, 2023 ([Issuewire.com](https://www.issuewire.com)) - CRN's Tech Elite 250 List showcases solution providers of all sizes across the U.S. and Canada, highlighting those that have distinguished themselves by attaining the highest level and largest breadth of certifications and specializations from industry-leading technology vendors in the infrastructure, cloud, and security sectors.

Businesses rely on solution providers to maintain exceptional technical expertise across vital products and services to help them address today's IT challenges and harness the potential of groundbreaking solutions. To fulfill these demands, solution providers such as strategic service providers, systems integrators, managed service providers, and value-added resellers strive to maintain high levels of training and certification from IT vendors and achieve the highest tiers within those vendors' partner programs.

CRA's recognition on the Tech Elite 250 list reflects the company's unwavering dedication to providing top-tier technology solutions and outstanding customer service. By investing in the continuous development of its team members and cultivating a culture of innovation, CRA has demonstrated a strong commitment to empowering its clients with the tools and support they need to succeed in an ever-evolving digital landscape.

"We are incredibly honored to be recognized on the CRN Tech Elite 250 list," said **Chico Ramnarayan**, Founder and CEO of Computer Resources of America. "Our team's dedication to staying at the forefront of technology advancements and maintaining the highest levels of certification ensures that we deliver the most cutting-edge and effective solutions to our clients, enabling their continued growth and success."

"CRN's Tech Elite 250 list features the leading solution providers in the IT channel with the most in-depth technical knowledge, expertise, and certifications for providing the highest level of service for their customers," said Blaine Raddon, CEO of The Channel Company. "These solution providers have continued to extend their aptitudes and abilities across various technologies and IT practices, demonstrating their commitment and value to their customers."

Coverage of the Tech Elite 250 will be featured in the April issue of CRN Magazine and online at www.CRN.com/techelite250.
