Santa Monica, California Mar 8, 2023 ([Issuewire.com](https://www.issuewire.com)) - DARK WORLD Studios is excited to announce the upcoming production of their new sci-fi film, ALIEN'S BACK FIGHT FOR SURVIVAL. Directed, co-written, and executive produced by Richard H. Davis, this film promises to be a thrilling addition to the sci-fi genre.

The film is set in the year 2700 in an average city of the future, where mankind has abandoned an alien race that is now in danger. The only dominator in the universe is DARK WORLD, and their fate rests on the survival of these aliens.

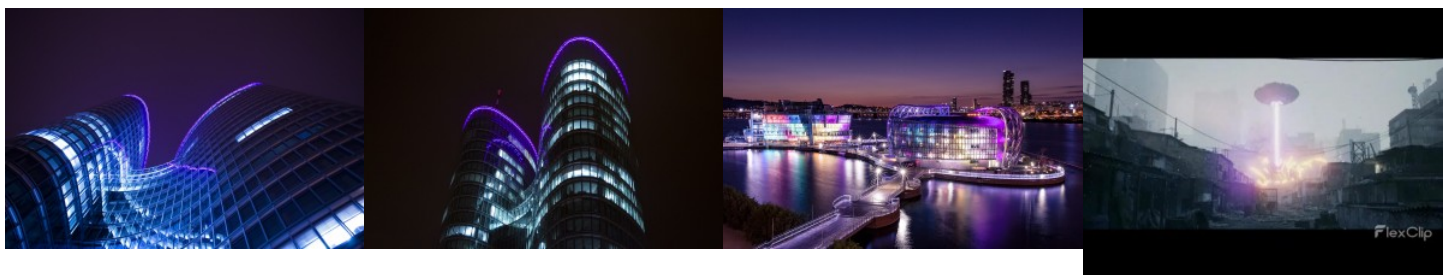

Richard H. Davis, a prolific inventor, entrepreneur, and United States Merchant Marine and combat veteran, has developed a screenplay that promises to intrigue sci-fi fans, drawing inspiration from the original 2001 Space Odyssey. ALIEN'S BACK - FIGHT FOR SURVIVAL offers a poetic meditation on technology and humanity adapted from a story by reverend Arthur C. Clarke.

The trailer for the film is now available on YouTube and offers a glimpse into the exciting world of ALIEN'S BACK - FIGHT FOR SURVIVAL. The film will be available on all major streaming and cable platforms in the US and Canada on September 14.

DARK WORLD Studios is thrilled to bring this exciting new sci-fi film to audiences, and the production team is eager to get started on the project in the spring of 2023. Stay tuned for more updates on this thrilling new film from DARK WORLD Studios.
