New York City, New York Mar 20, 2023 ([Issuewire.com](https://www.issuewire.com)) - A determined realtor, Dorene is a member

of The Fitz Team, which specializes in buying and selling residential properties in the Sarasota and Charlotte county areas. With years of experience as an entrepreneur and business owner, she has a passion for helping people invest in their financial future through real estate.

Along with her husband Tom, who has an extensive background in finance and is also a licensed realtor, she has a wealth of knowledge and experience in many aspects of real estate. In Dorene's earlier career in real estate, she had an interest in owning a real estate brokerage and has moved and invested often enough to have personal knowledge of what buyers, sellers, and investors are looking for in a real estate professional.

Committed to providing the highest level of service to her clients with honesty and integrity, Dorene and her team understand the importance of listening and honest and open communication during the buying/selling process. Their goal is always to obtain the best outcome for clients.

When it comes to listing a property, she understands the importance of careful and professional preparation, placing herself in the seller's shoes, paying close attention to pricing, staging, marketing, and proper documentation, and taking the best pictures to appeal to qualified buyers. She provides a precise comparative market analysis to correctly price the property meeting the seller's specific time frame and financial needs. She also advises on staging the home for pictures and showings to enhance a timely and smooth sale.

When helping home buyers and investors, Dorene and her team use My Florida Multiple Listing Service (MFMLS), a sophisticated system of information and links, to provide the most accurate and updated information for their clients. They are able to provide automatic notifications of properties that match their clients' specific search criteria, whether they are searching from out of town or locally.

On a more personal note, she attributes her success to her strong interpersonal skills. In her free time, she has several hobbies and interests that keep her busy, such as boating, reading, and making new friends.
