

Dr MGR Janaki College's Success with MIT Square London

Chennai, Tamil Nadu Mar 19, 2023 ([Issuewire.com](https://www.issuewire.com)) - Dr MGR Janaki College of Arts and Science for Women was founded in the loving memory of the late Chief Minister Bharat Ratna Dr MGR and his beloved wife Mrs Janaki Ramachandran, who championed the cause of women's education, believing in true empowerment of women can be obtained only through education and economic independence.

In the spirit of this, Dr Latha Rajendran (Secretary) and Dr Kumar Rajendran (Chairperson) of MJC partnered with MIT Square London to establish the RAISE Centre of Excellence, where the focus is on Research, Applications, Innovation, Science & Technology, and Entrepreneurship, which aims to promote international collaboration for women. Dr Ragitha Radhakrishnan, HoD Psychology of MJC, has closely worked with the MIT Square team to organise events successfully.

Dr Mithileysh Sathiyarayanan, Founder & CEO at MIT Square London, said, "We are extremely excited to establish the RAISE Centre of Excellence at Dr MGR Janaki College to render complete support to women's development, enablement, and empowerment".

As part of the CoE, numerous initiatives have been rolled out. Several talks and webinars were organised to benefit women students. E10 Career Clinic was organised to mentor and guide students one-to-one. Recently, MIT Square organised Indo-Global Summer Internship 2022 for MJC Psychology students, where Kamala M and Olive Sabina received an opportunity from Centro Universitario

UNIFACVEST, Brazil; Pavithra K and Lascana R from Universiti Putra Malaysia; Kiruthika and Nandhini V from Veritas University, Nigeria.

[MJC Campus Radio](#), powered by MIT Square, was launched for women students to exhibit their talents; several episodes have been featured on Amazon Music, Google Podcasts, and Spotify.

As part of the CSR activities, events such as the [Women Power India Awards](#), [Women Short Film Festival](#), and [Fem Products Mela](#) were organised in 2022 to empower women. Also, CSR activities such as recycling batteries were organised to spread the important practice that can help protect the environment, conserve valuable resources, and save energy and costs.

As per the sources, there will be many exciting events and programs in the year 2023 to enable and empower women.
