

DRS Softech Launched an Updated Zoho Mail Backup Software Version (23.3)

San Jose, California Mar 23, 2023 (IssueWire.com) - We are happy to announce the updated version (23.3) of the DRS [Zoho Mail Backup Tool](#). With this updated version, we have brought various new and advanced features that will enhance the backup experience for technical as well as non-technical users.

DRS Softech is an established IT company based in India with offices in the USA, UK, and Australia known for its highly advanced and secured products that allow users to ease their daily IT needs. It has many categories to deal with the data. DRS Softech assists users in the field of data recovery, email management, cloud migration, database recovery, and PDF management. The DRS Softech is happy to announce a new version i.e., DRS Zoho Backup Tool. The software allows you to backup and restore Zoho mailbox data to PST, MSG, EML, MBOX, PDF, Doc, Docx, IMAP, Gmail, Office 365, and G Suite (Only Admin account). The software works well with all the Windows and Mac OS versions.

Enhanced Features on Zoho Mail Backup Tool Updated Version 23.3

Below are some of the major changes we have made in this updated version:

- Enhanced user interface with completely new and easy GUI.
- Included free up server space to manage storage space.
- Quick and fast to backup large Zoho mailbox data.
- Resolved minor bugs and enhanced its performance.
- Backup Zoho mails into G Suite (Only admin account).

We believe that the above-mentioned changes will make DRS Zoho Mail Backup Tool even more useful and valuable for our clients.

Read What Our CEO has to say!

While launching the DRS JFIF Converter software, CEO Mrs. Sonika Rawat addressed-

DRS Softech provides flexible and secured software solutions to promote better intellect. Moreover, this innovation enhances the backup of Zoho mailbox data to various file formats and email clients. More precisely. It is developed with high-level algorithms to fulfill the requirements of Businesses, Enterprises, or other SMEs.
