A 1974 graduate of Columbia University Roy and Diana Vagelos College of Physicians and Surgeons, Dr. Lowe went on to further his training. He performed his categorical internship and residency in general surgery at Bronx Municipal Hospitals / Albert Einstein College of Medicine from 1974-1976, and his residency in surgery at Harlem Hospital - Columbia University Irving Medical Center from 1976-1977.

Staying abreast of recent developments within his field, Dr. Lowe is an active member of the International Society on Hypertension in Blacks.

Family medicine is a medical specialty devoted to comprehensive health care for people of all ages. The specialist is called a family physician or family doctor. A family physician is often the first person a patient sees when seeking healthcare services. They examine and treat patients with a wide range of conditions and refer those with serious ailments to a specialist or appropriate facility.
