Kansas City, Missouri Mar 10, 2023 ([IssueWire.com](https://www.issuewire.com)) - "When We Prey on Them" Film Release and FavUnite TV Launch on Clubhouse

Ronald Dillard Jr.'s latest film, "When We Prey on Them," will be released on Sunday, March 12, 2023, alongside the launch of FavUnite TV (Fans, Artists, and Venues) a streaming channel founded by Bukeka and Eugene Blakemore. The release and launch event will take place at the APP Clubhouse.

"When We Prey on Them" is a gripping drama written and produced by Ronald Dillard Jr. It was directed by the Greene Brothers (Ronald Dillard Jr. and Shairod Greene). The film tells a riveting story that will amaze the audience. This is a watch film from a rising talent in the film industry.

FavUnite TV, the streaming channel, will be a hub for independent filmmakers and artists to showcase their work to a global audience. The channel will feature a variety of content, including films, documentaries, web series, and more.

Bukeka and Eugene Blakemore, the founders of FavUnite TV, have been passionate about supporting independent artists and bringing diverse voices to the forefront of the entertainment industry. Their streaming channel will provide a platform for underrepresented artists to tell their stories and connect with audiences around the world.

"We're thrilled to showcase FavUnite TV alongside the release of 'When We Prey on Them'," said Bukeka and Eugene Styles. "Ronald Dillard Jr. has created a powerful film that we're proud to be a part of, and we can't wait to share it with audiences on FavUnite TV."

The release and launch event on Clubhouse will feature a Q&A session with Ronald Dillard Jr., Bukeka, and Eugene Blakemore, where attendees can ask questions about the film and the new streaming channel. The event will be open to the public, and attendees can join the FavUnite House on Clubhouse to participate.

Don't miss the release of "When We Prey on Them" and the launch of FavUnite TV on Sunday, March 12, 2023, on Clubhouse. Join the conversation and be a part of the future of independent filmmaking and storytelling.
