Wake Forest, North Carolina Mar 24, 2023 (Issuewire.com) - A Seminar on Forex Trading for both beginners and advanced traders, will be held on Saturday, April 22, 2023, 12 00 PM, at the Wake Forest Grand Ballroom 203 Capcom Ave., Suite # 114 Wake Forest, NC 27587, the Venue is located directly off Capital Blvd between Raleigh and Wake Forest, North Carolina.

The seminar will cover a range of topics related to the forex market to allow attendees to improve their financial literacy. It will also be a great opportunity for individuals who want to become skillful traders and learn how to trade with confidence, precision, and strategy. The attendees will be able to ask questions about the basics and fundamentals of the Forex market and day trading.

The Forex (FX) is a Trillion-Dollar, world's largest liquid market that works 24 hours a day, five days a week (except holidays). People can also do day trading in the Forex in which currencies are purchased and sold on the same market day. The seminar will be held under the umbrella of the Forex Education Platform. This platform helps people learn to trade & investing in the comfort of their homes through online classes, courses, recorded lessons, and hands-on, one-on-one mentorship. Forex Education Platform trades live with Step-By-Step commentary via Zoom from a master trader.

"We're excited to host this seminar to bring beginners and advanced traders together in Wake Forest, North Carolina," said Marilyn Bryant Tucker (the co-organizer of the seminar).

"I strongly believe that everyone has the potential to become a successful Forex trader. They only need

the right guidance, support, and financial literacy to succeed in the market. Success in Forex trading comes from hard work and dedication. As a trader, you need to have a strategy and foundation.” said Lamar Blakney (the co-organizer of the seminar).

The core purpose of organizing this Forex Trading Informational seminar is to help everyone who wants to maximize their earnings, build a rock-solid financial portfolio, and leave behind a legacy for future generations. The seminar will be specially focused on improving the participants' financial literacy. The attendees will be able to participate in in-depth discussions and develop personal connections.

The seminar will be held on Saturday, April 22, 2023, at 12: 00 PM, at the Wake Forest Grand Ballroom 203 Capcom Ave., Suite # 114 Wake Forest, NC 27587. Seats are limited and filling up fast, so interested individuals are encouraged to register soon to secure their spot.
