LenarCatour is a black owned business that provides high quality raw Indian hair. We have been in business for 2 years and is now selling hair. This business is being ran by an 19 year old college student by the name of Breairra Anderson.

City of Dallas, Texas Mar 23, 2023 ([Issuewire.com](https://www.issuewire.com)) - LenarCatour provides high-quality raw hair. Our prices are very reasonable for the quality of the hair. We have inches from 14-30in. Prices range from \$60-\$150 per bundle. Our Brand also sells HD lace frontal/closure and wigs ranging from \$160-\$280. We are also having a bundle deal the first week of launching, and the first 10 customers will be put into a raffle to win a free 24-in-a-wig.

Our hair company holds one of the best raw Indian hair bundles. We are a single-donor hair company. The hair comes cuticle aligned and has not been chemically processed or steamed. The hair can be dyed and takes heat very well. It also doesn't shed and is tangle free. The hair can last up to 2-4 years if used properly, and the hair holds the pattern very well even after a wash.
