G S Shetty International, one of the leading and reputed ICSE schools in Bhandup, strives for the development of the child's potential through its balanced schooling concepts.

Mumbai, Maharashtra Mar 28, 2023 ([IssueWire.com](https://www.issuewire.com)) - G S Shetty International, one of the leading and reputed [ICSE schools in Bhandup](#), strives for the development of the child's potential through its balanced schooling concepts. In addition to academics, there are many non-academic programs already in place as well - including ones in sports, performing arts, personality development, career counselling, and other areas. They have highly qualified and skilled professors to provide quality education to students. The school has CCTV cameras installed throughout, including in every classroom, so parents can rest assured that their children are learning in a secure environment.

G S Shetty International School was established in 2012, and is one of the [best international schools in Mumbai](#). Academically, students enjoy the school's coding and robotics training programs, UPSC and MPSC preparation programs, and school-after-school revision programs. Throughout its history, the school has provided students with a holistic learning approach since it believes children must develop on all levels. In order to meet this goal, the school regularly offers yoga and meditation classes. Utilising impactful teaching techniques revolving around the ICSE curriculum and cutting-edge technological tools, the school strives to offer a world-class education that embodies values. They provide a positive environment where students can learn a lot more than just basic skills, which are certain to be beneficial for their academic and social life.

"We offer both theoretical and practical knowledge to students of class from preschool to 10th standard by educating a child to be a responsible citizen. We are pleased to offer the ICSE curriculum at G S Shetty, which includes global knowledge, stimulates critical thinking, and offers fresh approaches to teaching. Our academic system also emphasises languages, arts, and humanities equally. There has been a rapid rise in success at the school over the last few years. We create an environment in which students feel a sense of opportunity that creates dynamic learning, motivating them to think freely, essentially, and innovatively," says Mr. Sukesh Shetty, Director at G S Shetty International School.

When it comes to learning new skills, G S Shetty, one of Mumbai's renowned [private schools in Mumbai](#), takes no shortcuts. The school also organises workshops in robotics, drones, and 3D printing to benefit the students.

Summary-

With a joyful learning environment, G S Shetty International school aims to empower children to reach their educational and personal potential. They focus on the overall development of each child physically, mentally, and emotionally.
