

GetTransfer.com to Showcase New Features and Its Innovative Platform for Business at ITB Berlin 2023

GetTransfer, the global leader in ground transportation services, will introduce its client-focused approach and unique tender-based technologies at the world's top travel trade show in Germany

Berlin, Germany Mar 8, 2023 ([Issuewire.com](https://www.issuewire.com)) - GetTransfer – the largest global travel marketplace for booking mobility services – shows its work at Internationale Tourismus-Börse in Berlin!

ITB Berlin is one of the most prominent events in the travel and tourism industry, bringing together thousands of travel industry professionals, experts, and enthusiasts worldwide. The trade show offers a unique opportunity to connect with potential business partners, learn about the latest trends, and exhibit innovative products and services.

At the event, [GetTransfer](https://www.gettransfer.com) representatives will be present at their booth №104, Hall 6.1, to show the platform's features, answer queries, and explore potential business collaborations. The company invites all attendees to visit their booth and learn how the cutting-edge platform can make ground transportation booking a hassle-free experience for travelers and travel industry professionals.

Alexander Sapov, the co-founder and CEO, states “Our platform is designed to simplify the transfer booking process and daily transportation solutions, making it easy and convenient for travelers to reserve reliable services in any location all across the planet. We use unique tender-based algorithms that allow passengers to get the most suitable offer according to their preferences and needs. We operate globally and are happy to provide people with the best services at any location. At GetTransfer, we are excited to participate in ITB Berlin 2023 and showcase our platform and the way we work to travel industry professionals!”

Since its launch, GetTransfer has emerged as a trailblazer in the travel industry, earning several accolades. In 2022, the platform was honored with the Best Travel App at Uzakrota Travel Awards and the Leading Online Transport Marketplace at the Indonesia Travel & Tourism Awards. In 2020, it received the Innovation in Travel Award from Globe Travel Awards for its pioneering digital travel approach. In 2019, the service was recognized as the Best Technology Product of the Year at the Travolution Awards, celebrating the most innovative works in the digital travel realm.
