

Hanna Herbst's "Reaching Your Goals" Podcast Launches 10th Episode

Hanna Herbst is a certified leadership coach. Her career-focused podcast surpasses 20,000 downloads worldwide.

Reaching your goals

Zurich, Switzerland Mar 14, 2023 ([Issuewire.com](https://www.issuewire.com)) - "Reaching Your Goals," the career-focused podcast hosted by certified leadership coach Hanna Herbst, announces the launch of its 10th Episode, "Hanna with Wayne Brown on transitioning into 21st-century leaders," on Tuesday, March 7. Wayne Brown is a seasoned professional who has spent over 45 years working in multinational corporations

across a range of roles, from engineering to leadership. He's an executive coach now and was honored as the "Executive Coach of The Year" by CEO Today magazine in November 2022.

The podcast has achieved a global reach of over 20,000 downloads, with the majority of listeners hailing from the United States (85%), Switzerland (3%), and the United Kingdom (2.5%). The previous guests of the podcast include NYU Stern Professor Nate Pettit and Janie van Hool, discussing the leadership push and pull principle and the power of listening, respectively.

Hanna Herbst is the host of Reaching your Goals. Depending on the day, she either wears the hat of a certified leadership & career coach or management consultant and works for her company Delygate (www.delygate.com). Before starting her own business, she worked for prestigious companies such as Procter & Gamble, Siemens, or Horvath & Partners in corporate finance and management consulting. Hanna has an MBA from NYU Stern School of Business. Hanna is based in Zurich, Switzerland, and is fluent in English and German.

"I'm excited to launch our 10th Episode and continue inspiring our listeners to reach their goals," says Hanna Herbst, host of the "Reaching Your Goals" podcast.

"Reaching Your Goals" is a practical and effective career-focused podcast aimed at helping listeners increase their productivity, manage insecurities, overcome people-pleasing tendencies, and ultimately reach their professional goals. The podcast features candid discussions with business leaders, academics, coaches, and entrepreneurs who share their experiences, insights, and advice on achieving professional fulfillment.

Hanna's mission is to inspire listeners to lead with kindness and have fun while reaching their goals. Listeners can expect a high-energy and compassionate podcast that delivers practical advice on achieving success. "Reaching Your Goals" is more than just a podcast. It's a community of individuals who are committed to achieving their professional goals while leading with kindness. The podcast provides listeners with practical resources, perspectives, and recommendations from successful business leaders, academics, coaches, and entrepreneurs to support them in achieving success.
