New York City, New York Mar 3, 2023 ([IssueWire.com](https://www.issuewire.com)) - Dr. Roudner, or Dr. Lenny, as he is known to his patients, is a world-renowned plastic surgeon with a client list ranging from celebrities, centerfolds, and fashion models to public figures showcases.

Using his aesthetic eye and skilled hands, he is highly recognized for his expertise in breast augmentation & enhancement surgery. His gift of achieving individual desires has drawn patients from all around the world to his state-of-the-art surgical center in Miami, which he established in 1989.

Having successfully performed over twenty-six thousand breast augmentation procedures over the past three decades, Dr. Roudner has gained honors from his colleagues as well as the press for his outstanding excellence as a plastic surgeon and his performance in breast augmentation.

Along with offering his specialized services of breast augmentation, he also performs liposuction, liposculpture, tummy tucks, labiaplasty, Botox cosmetic injections, and other aesthetic procedures.

Born in Australia, Dr. Roudner graduated with his medical degree from the Faculty of Medicine,

Dentistry, and Health Sciences of the University of Melbourne in 1970, and trained in general surgery in Australia. He then relocated to the United States, performing his residency in surgery at the Mount Sinai Medical Center of Florida in 1978, and his residency in plastic surgery at Loyola University Medical Center in 1981.

With a commitment to surgical excellence, the doctor is board-certified through the American Board of Plastic Surgery (ABPS). The mission of the ABPS is to promote safe, ethical, and efficacious plastic surgery to the public by maintaining high standards for the education, examination, certification, and continuous certification of plastic surgeons as specialists and subspecialists.

Along with his certifications in plastic surgery, Dr. Roudner holds several other certifications in reconstructive surgery.

In addition to being a Fellow of the American College of Surgeons (FACS), he is an active member of the American Society of Plastic Surgeons, the American Medical Association, the Florida Medical Association, and The Aesthetic Society.

With the special gift of having the artistic ability to create beautiful results, Dr. Roudner is currently a staff member at Baptist Hospital.

Plastic surgery is a surgical specialty involving the restoration, reconstruction, or alteration of the human body. It can be divided into two main categories - reconstructive surgery and cosmetic surgery. A plastic surgeon's primary responsibility is performing surgical and non-surgical procedures, and they use a variety of reparative and reconstructive techniques to get the job done.

Having been heavily sought after for his skill and experience within the plastic surgery field, Dr. Roudner has a reputation for being one of the best breast augmentation surgeons in the world. He has been featured in several high-profile publications, both locally and abroad, including Haute Living, The Miami Herald, and the San Diego Tribune, among others.
