

MAP Services Corporation Continues to Show Strong Leadership in the Automotive and Powersports Industry

Ensuring the Best Results for Their Clients

Asheville, North Carolina Mar 7, 2023 ([Issuewire.com](https://www.issuewire.com)) - MAP Service Corporation provides Minimum Advertised Price monitoring and Minimum Advertised Price enforcement services using the best in class technologies and tools to provide clients with 99% accurate results, not only helping them minimize their business loss from MAP Policy violation but also helping them increase their profitability. They specialize in the Powersports and Automotive industry but are currently expanding into the Marine Industry as well.

MAP Services Corporation achievements in Q4, 2022

MAP Services Corporation is proud to announce continued growth and success in the automotive and powersports industry in Q4 of 2022. With the addition of 9 new clients and a total of 25 brands to its client portfolio, MAP Services Corp. continues to increase its leadership in the industry.

The company is dedicated to providing its clients with unparalleled service and solutions to help protect its brands and increase profitability. In the last quarter of 2022, MAP Services added Western Power Sports to their list of clients, making them the provider of Minimum Advertised Price protection for the three largest wholesale distributors in the powersports industry. This has given MAP Services unprecedented insight into the market and a superior ability to identify and control sub-MAP dealers.

MAP Services' expertise in the powersports industry is unmatched. Their deep understanding of the market and their ability to quickly adapt to the ever-changing industry allows them to remain at the forefront of their field. The company is committed to providing its clients with the highest level of protection, while also offering them valuable insights into the industry through its market analysis and research.

The company is also quickly growing its presence in the automotive industry, where they are now providing the same level of service and protection to the brands in this market. MAP Services' team of experts has a wealth of knowledge and experience in both industries, which has allowed them to expand their offerings and help even more clients protect their brands and increase profitability.

In addition to the powersports and automotive industry [MAP Services Corp](#) is expanding into the marine industry. With the addition of the brand Shadow Caster, they have forged inroads in the marine world. Unfortunately, the 2022 IBEX trade show in Tampa was canceled due to hurricane Ian. For this reason, MAP services were not able to attend.

MAP Services will be attending in 2023!

MAP Services' commitment to customer service

MAP Services Corp's success in the automotive and powersports industry can be attributed to its commitment to providing the highest quality of service and its deep understanding of the industries they serve. Their team of experts is dedicated to helping their clients achieve their goals and reach their full potential.

In conclusion, MAP Services Corporation continues to show strong leadership in the automotive and powersports industry. With the addition of new clients and the continued growth of their presence in the industries, the company is poised for even greater success in the future. They remain dedicated to providing their clients with the best possible solutions to protect their brands and increase profitability.
