

Martha Larsen, Recognized by BestAgents.us as a 2023 Top Agent

Martha loves working with people who are ready to make their real estate dreams come true.

New York City, New York Mar 8, 2023 ([Issuewire.com](https://www.issuewire.com)) - Possessing honesty, integrity, and professionalism, Martha is a real estate agent who has been working with Century 21 Premiere Properties in Florence, Kentucky since 2018. Some of the areas she serves are Alexandria, Bellevue, Burlington, Corinth, Covington, and more.

Her goal is to assist buyers and sellers throughout their transactions, representing their best interests from negotiations to contract execution. She loves helping a buyer find their forever home and, just the same, loves helping a seller move on to their next adventure.

Before joining Century 21 Premiere Properties, Martha studied for her real estate license in 2017 and received it on January 17, 2018. It has always been her dream to be a realtor, but she grew up on her mother's values that she must have a "real" job that has insurance. That is why for 37 years, she worked in the logistics world before retiring completely to focus on real estate.

While working in management and sales, Martha learned various values. These included multi-tasking, executing paperwork, and learning that understanding how to satisfy clients is key. These values have helped her become the reliable real estate agent that she is today.

Providing only the highest quality of real estate services, Martha believes that having a friendly personality and being willing to go the extra mile is extremely necessary. That is why she always cares and spoils her clients in order to assist them with their real estate needs and to execute their wants.

Attributing her success to her drive and ambition, she has been the recipient of many awards and honors throughout her career, including CENTURION® (2022, 2021), President's Producer (2022, 2021), Quality Service Pinnacle Producer (2022, 2021), Masters Emerald (2020), and Quality Service Producer (2020, 2019).
