Austin, Texas Mar 12, 2023 ([Issuewire.com](https://www.issuewire.com)) - Dream Kollab – Virtual Tour of Texas

SXSW attendees, get ready for an exciting unofficial event that will change the way you experience the city of Austin! We are thrilled to announce an augmented reality tour of Austin, Texas, which will take you on an unforgettable journey through the city's streets and landmarks.

This unique tour will be led by expert guides who will take you through the city, pointing out landmarks and hidden gems. But that's not all! The tour will also feature stops along the way where you can view cutting-edge Web3 project content, showcasing some of the most innovative ideas and concepts in the industry.

With the use of augmented reality technology, you'll be able to see these Web3 projects come to life

right before your eyes, making this an immersive and unforgettable experience. You'll get a taste of the future of technology and innovation, and see how it can impact our daily lives. Web3 Artists such as Cybernerd Baby, GX Universe, Alan Walker, Ethereum Towers and ZOLiD Network and Squid.biz will have sites on the trip.

'This is a great opportunity to showcase Web3 talent in a unique way' said Paul C. Clarke Founder and CEO of Dream Kollab, organizers of the event, 'we can't wait for the people of Texas and SXSW attendees to come on our digital journey'.

This tour is perfect for anyone who wants to explore the city in a unique and exciting way, while also learning about the latest developments in the metaverse, crypto and blockchain ecosystem. You will be able to meet and enjoy live performances from the artists themselves. So, whether you're a tech enthusiast, an investor, or just someone looking for a fun and educational experience, this tour is not to be missed!

The AR Tour will take place at noon (12 pm) on March 14th, meeting at the South side of the Austin Convention Center and will climax at the Capitol Building - where a lucky participant will win tickets to Restless Fest amongst other prizes. The second event featuring the AR Metaverse Corner will be on March 16th, meeting at noon at Zilker Park. To learn more and join the event, follow @DreamKollab on Twitter.

If you're not in Texas for this event you can tune in virtually via OverTheReality. Details on how to tune in virtually will be posted on Dream Kollab's Twitter.

This event has been created and commissioned by Dream Kollab, a Web3 startup and the inventors of Squid.biz; the technology behind the payment system used to pay the artists.
